ENVIRONMENTAL POLICY

H & I Chemicals Ltd aims to minimise our impact on and to protect the environment. Our aim is to promote an environmentally conscious workforce committed to implementing the company's environmental policy.

We look to ensure that our environmental management system is appropriate to our organisation, including the nature, scale and environmental impacts of its activities, products and services whilst complying with all relevant UK / EU Environmental legislation.

We will exercise product stewardship to ensure that customers are informed of any environmental issues associated with the use and disposal of our products.

We expect all of our employees to observe and abide by the principals set out within the policy. To help to achieve this we will provide adequate training. We will ensure that this policy is communicated to all employees and made available to all interested parties.

The company regards protection of the environment as the responsibility of all employees.
